Coordinate System: North American Datum of 1983, Universal Transverse Mercator Zone 17N (NAD_1983_UTM_Zone_17N)

This map is an illustration and is not intended for use in direct mensuration of real features on the surface of the earth or any other engineering design. The size of objects and distances between them are exaggerated for ease of use only. This map does not contain all or even most of the features found on the face of the earth in any given location. It only depicts those features found in the legend within its geographic area. The intended use of this map is for planning and simple location of features to within several hundred feet of their correct position on the face of the earth.

Last revision date: June 2016

All routes are provided by West Virginia (WV) Department of Transportation. Urban Areas, corporation lines, and population data are from the U.S. Census Bureau for census years 2000 and 2010. Contributing sources include United States (U.S.) National Park Service, U.S. Forest Service, U.S. Geological Survey, WV Department of Environmental Protection, WV Division of Forestry, WV Division of Natural Resources, WV GIS Technical Center, WV Health Care Authority, WV Legislative Services, and WVU Natural Resource Analysis Center.
