1900 Kanawha Blvd. East,
Building 5, Room A-450
Charleston, WV 25305
(304) 558-3113
Map sales: (304) 558-2868

Coordinate System: North American Datum of 1983, Universal Transverse Mercator Zone 17N (NAD_1983_UTM_Zone_17N)

This map is an illustration and is not intended for use in direct mensuration of real features on the surface of the earth or any other engineering design. The size of objects and distances between them are exaggerated for ease of use only. This map does not contain all or even most of the features found on the face of the earth in any given location. It only depicts those features found in the legend within its geographic area. The intended use of this map is for planning and simple location of features to within several hundred feet of their correct position on the face of the earth.

Last revision date: June 2016

This map was developed by the West Virginia Department of Transportation (WVDOT) Geospatial Transportation Information Section and is provided for general reference only. The WVDOT does not guarantee the accuracy, completeness, or currentness of any information presented and disclaims any warranties, whether expressed or implied. Users who rely on the information contained in this map do so at their own risk. The WVDOT and its agents will not be held liable for inaccurate, outdated, or otherwise erroneous information, or for damages arising, whether directly or indirectly, from use or misuse of this map or any data contained herein.
