This map is an illustration and is not intended for use in direct engineering design. The size of objects and distances between points have been altered to provide clear visibility. The map depicts various road and roadway features, including WV and US Numbered Highways, Trunkline Roads, Airport Runways, WV State Park and Forest Routes, and other features such as lakes, major rivers, hospitals, institutions, and wildlife management areas. The map is prepared by the West Virginia Department of Transportation, Planning Division, and is a public service of the state of West Virginia. The map is updated periodically to reflect changes in the geographic features it represents. The use of this map is subject to the terms and conditions of the West Virginia Department of Transportation, which are available at their website.
