The map is for planning and simple location of features to within several hundred feet of their correct position on the face of the earth. This map does not depict all features or changes in, or additions to, the features shown. The map is intended for general reference purposes and does not serve as a check for Federal, State, and local building codes or other land use regulations, nor does it provide information concerning water rights, mineral rights, underground pipelines, or other utilities or features not shown on the map. The map is not to be used for legal purposes or for any purpose other than that for which it was prepared.

The map is produced using the most reliable and current information available to the WVDOT and its agents. The WVDOT and its agents have made every effort to ensure the accuracy of the data and information used to prepare the map. However, the WVDOT and its agents make no warranty, express or implied, as to the accuracy or completeness of the data and information, and the WVDOT and its agents are not responsible for any errors or omissions therein. The WVDOT and its agents disclaim any liability arising from the use of the map or any part thereof.
