This map was developed by the West Virginia Department of Transportation (WVDOT), Transportation Planning Division, with the cooperation of the Federal Highway Administration. The map is intended to depict the county within its geographic area. The intended use of this map is to identify roadways, natural features, and other points of interest. It only depicts those features found in the county and does not depict points of interest located outside the county.

The WVDOT and its agents will not be held liable for inaccurate, outdated, or otherwise erroneous information, the accuracy, completeness, or currentness of any information presented and disclaims any warranties, express or implied, regarding the content of any data contained herein for damages arising, whether directly or indirectly, from use or misuse of this map or any data contained herein.

General highway map of Morgan County, West Virginia, prepared by the West Virginia Department of Transportation Planning Division, in cooperation with the US Department of Transportation Federal Highway Administration. 1 inch = 1 mile.
