WV DOT and its members, whether directly or indirectly, from use or misuse of this map or any data contained herein. Users who rely on the information contained in this map do so at their own risk.

This map does not contain all or even most of the features found on the face of the earth in any given location. It only contains a portion of the data used by WV DOT, TRB, and the West Virginia GIS Program. This map is a compilation and is intended to serve as a general overview of the state of West Virginia. The data used in the preparation of this map is derived from various sources, including the United States Geological Survey, the West Virginia Department of Transportation, and other governmental and private agencies. The data has been compiled and digitized to create a map that is intended to be a general overview of the state of West Virginia. The data used in the preparation of this map is intended to serve as a general overview of the state of West Virginia.
