This map was developed by the West Virginia Department of Transportation (WVDOT) Geospatial Transportation. The intended use of this map is to provide a visual representation of the geographical area it covers. The map includes various features such as roads, water bodies, and land use categories. It is important to note that the map is indicative of the area and may not be accurate for specific locations or levels of detail. For detailed information, please consult the original sources or contact WVDOT.
