This map is a representation of the West Virginia Department of Transportation's effort to display various transportation-related facilities and services within the West Virginia counties. The map is intended for planning and simple location of features to within several hundred feet of their correct position on the ground. It is not intended for use in direct measurement of real features on the surface of the location. It only depicts those features found in the legend within its geographic area. The intended use of this map is for planning and simple location of features to within several hundred feet of their correct position on the ground.
