This map was developed by the West Virginia Depart- 

ment of Transportation (WVDOT) Geospatial 

Transportation. It only depicts those features found in 

earth in any given location. This map only shows the 

three geographical categories: Primary Transportation 

Resources, Secondary Transportation Resources, and 

Tertiary Transportation Resources. The information 

provided is subject to change and should be used for 

planning purposes only. This map is not intended to 

replace the official records of the West Virginia 

Department of Transportation. For further details, 

please contact West Virginia Department of 

Transportation, Geospatial Transportation 

Program, 1900 MacCorkle Avenue, Room 100, 

Charleston, WV 25304.
