This map was developed by the West Virginia Department of Transportation (WVDOT) Geospatial Program and was compiled in cooperation with the National Park Service, U.S. Forest Service, U.S. Geological Survey, and WV Department of Transportation. It contains all or even most of the features found on the face of the 1990 U.S.G.S. quadrangle maps. The map is intended for use as an information guide only and should not be used for navigation or survey purposes. The accuracy, completeness, or currentness of any information presented and disclaims any warranties.
