This map was prepared by the West Virginia Department of Transportation (HIGHWAY), Science Office, WVDEP, and Ross R. Campbell & Company, Inc., Technical Services Limited, to serve as a guide to the transportation system in Cabell County, West Virginia, as of January 2020. The map shows the existing transportation system in the county, including roads, highways, and other transportation facilities.

All points are verified by the West Virginia Department of Transportation, unless otherwise indicated, and are subject to change. The designations shown on the map are intended to be used in conjunction with the West Virginia Department of Transportation's current and future plans for transportation improvements and do not necessarily reflect the immediate construction priorities. Names shown are the names used by the West Virginia Department of Transportation and may be subject to change.

The map is not a legal document and is intended for informational purposes only. It does not convey legal rights or obligations. The map is subject to change due to construction, maintenance, and other factors.

For further details, please contact West Virginia Department of Transportation, Science Office, 1338 MacCorkle Ave. SW, Charleston, WV 25305, 304-558-3200.
